A TIME OF DECISION

As high school graduates you are entering a new phase of living. Your lives thus far have been molded by your parents, teachers, church, and associates. The part they played in providing you a proper foundation cannot be measured, for the laying of the proper cornerstone of a life is invaluable.

With the foundation you now have, you alone must build and complete the structure of your life. No one can do this for you.

The decisions of your generation will, in years to come, determine your future as an individual and the future of your nation.

Such things as freedom of speech, the right to vote, the freedom to pursue our goals, and the many freedoms too numerous to mention were earned by the courage, faith and lives of many Americans. These strong, determined Americans struggled for their ideals and convictions and developed the strong communities, strong states, and strong nation that we enjoy today.

Today, no one individual can stand still, for in an Atomic Age, to stand still is to lose ground. As leaders of tomorrow you must continue to strive toward progress as an individual and for your state and nation. Begin now to learn more and to put into practice what you have already learned, for the progress of America lies in you — a leader of tomorrow.

Homecoming 1959

This year, after weeks of work, Homecoming opened with a Pep Rally on the football field. The evening was highlighted by a rain, skit, speech, and bon-fire. The skit consisted of members of the football team, Pep Club, and queen candidates. Following this, a speech was given by our much-loved Coach McLane. The evening was topped off with a huge bon-fire characteristic of the "roaring" spirit of Roxana football fans.

Friday, despite a drowning rain, the Homecoming Parade was underway promptly at 3:00 p.m. Because of the rain, the floats were dissolved

under the very eyes of disappointed students.

That evening, among mounds of mud and puddles of water, Roxana Shells fought their way to a victory over the Madison Trojans with a score of 6-0.

Amid a beautiful setting of candle-light, colored lights, and ferns, with background oriental music, Miss Carol Jo Brien, escorted by Tom Gatewood, President of the "R" Club, crowned the 1959-60 Roxana Homecoming Queen.

After the crowning of the Queen, the evening was concluded with the Annual Coronation Dance.

Was there ever a lovelier sight?

"I hate to give it up!"

What's the matter, Carol Jo?

Hey Bob-- What's up?!?

Homecoming

Hey Larry, where'd you all
get them there girls???

Is anyone cold?

Strike up the Band!!!

The 1959 season was quite successful for the football team. The Shells, with the fine coaching of Coach McLane, were able to win eight games and have only one loss. The sole loss was suffered at the hands of Belleville. The Shells had a conference record of five wins and no losses thus winning the Midwestern Conference. The team also established a fine scoring record. Tom Gatewood and Burrell Tucker were chosen as co-captains of the 1959 season. Larry Thomas and Burrell Tucker were chosen as most valuable players. Several boys were named to All-Conference and All-Star teams. Larry Thomas was named to the All East-Side football team by the St. Louis Globe. The Chicago Daily News chose Burrell Tucker for a member of their All-Star Down State Team. Thomas, Tucker, Angleton, and Gatewood were named to the Midwestern Conference All Star Team. Other players received honorable mentions on numerous All Star and All Conference teams.

Gymnastics

This year the Roxana Gymnastic Team staged a first in the Roxana Area. The team held a double dual gymnastics meet with Wood River and East St. Louis. Roxana was victorious over both schools. The score was Roxana-65, Wood River-22, and East St. Louis-9. Events were held on the various pieces of apparatus and the Shells won every event except the side horse contest. Chuck Gullicksrud paced the team in the meet by winning several first places.

BARBARA LARSON

Barbara is the 1960 winner of the D. A. R. Good Citizen Award. Seniors voted for three girls who met the following qualifications for good citizenship: Dependability, service, leadership, and patriotism. The faculty then selected the recipient of the award from the top three girls.

CURTIS SCHUBERT

Curtis is the 1960 winner of the Bausch and Lomb Science Award. The highest ranking student in the math and science fields receives a bronze metal at graduation. The winner of the Honorary Science Award is eligible to compete for Science Scholarships, sponsored by the Bausch and Lomb Optical, Co., at the University of Rochester.

Good luck in
your future years!

Stan,
I wish the
heck you'd get
some decent clothes.
See what a
big boy you've
become!
How do
you think I
feel
sitting behind
you
in history with
those
rotten smelling
clothes?
Best of luck!
Fannie!

We're Going With You

Whether you knew it or not, almost every day of your school year you've used a product made by Olin Mathieson, or one that Olin Mathieson helped to make.

Once you're established in business or professional life, you'll probably hear a lot more about Olin Mathieson. A good many of you may have business with us, and a few of you may even come to work for us. There will be room because Olin Mathieson is growing. When Olin Industries, Inc., merged with the Mathieson Chemical Corporation in August, 1954, they brought together the most rapidly expanding industrial organizations. You and the Olin Mathieson Chemical Corporation will meet each other often as we do.

Meanwhile, we extend our best wishes. May the future bring you everything you've hoped for and worked for.

Olin Mathieson Chemical Corp.

 my own wash
 to you I love
 you must
 love you

A TIME OF DECISION

As high school graduates you are entering a new phase of living. Your lives thus far have been molded by your parents, teachers, church, and associates. The part they played in providing you a proper foundation cannot be measured, for the laying of the proper cornerstone of a life is invaluable.

With the foundation you now have, you alone must build and complete the structure of your life. No one can do this for you.

The decisions of your generation will, in years to come, determine your future as an individual and the future of your nation.

Such things as freedom of speech, the right to vote, the freedom to pursue our goals, and the many freedoms too numerous to mention were earned by the courage, faith and lives of many Americans. These strong, determined Americans struggled for their ideals and convictions and developed the strong communities, strong states, and strong nation that we enjoy today.

Today, no one individual can stand still, for in an Atomic Age, to stand still is to lose ground. As leaders of tomorrow you must continue to strive toward progress as an individual and for your state and nation. Begin now to learn more and to put into practice what you have already learned, for the progress of America lies in you — a leader of tomorrow.
